All items **MUST** be sold and collected by 10 March 2019.

All dimensions are in cm and are approximate: buyer must check if critical!

## Item 1: Furniture Village 3-seat sofa with matching pouffe

Well made with matching cushions; fire safety tags on both items. Minimal wear. Very comfy and great for slobbing evenings in. Seats 3-4 in comfort. Matching cushions included.

Sofa: 250W x 107D x 74H

Pouffe: 123L x 63D

Any reasonable offer accepted but buyer must remove the sofa! (2 strong people needed)

## Item 2: Pair of crimson velvet 2-seat sofas

Some wear to one arm and one corner (see pics), no fire safety tags but believed to be made by MultiYork. Good quality, sturdy.

147W x 100D, 81H.

Guide price: £60 for the pair.

### **Item 3: Art Deco style (believed to be original) cocktail cabinet**

Currently used to hide a home cinema system: the rear panel has a cable cutout and a shelf has been replaced with a stronger one.

Glass shelves recently replaced by Go Glass but crack in rear mirror. Some accessories missing but burr wood is in reasonable condition.

148W x 40D x 112H (closed), 138H lid open

Very sad to see this go!

Guide price: £75

#### **Item 4: Unusual retro sideboard**

Could be art deco / 1940's.

Wood (probably oak) is in good condition, doors and drawers work fine. If the varnished natural wood offends, it could be dipped and stripped and/or painted.

We have used it as a glasses cupboard and cutlery/place mats drawers. Good capacity.

135W x 95H x 49D

Guide price: £50. Buyer collects.

**SOLD**

## Item 5: Barrier poles and ropes x 4

Remember these?

They saw many years of sterling duty in the Gwydir Street gallery: really useful for keeping coffee ignoramuses away from the art when Hot Numbers invaded!

Reasonable condition though there is some corrosion on the bases - see pic below.

Bought for around £100.  
Any reasonable offer or please pass onto any person or organisation that might find these useful.

## Item 6:

### Esther Joseph sculpture

We acquired this some years ago at Cambridge Artworks but we now need to find someone who can take it over and appreciate it.

Sadly Esther is no longer with us but her work lives on.

This is a heavy piece around 30cm long which Esther carved from a natural curve in a piece of stone. It has the curves of a natural object, perhaps a large bird skull or a rock carved by centuries of waves on a seashore.

Any reasonable offer considered.

## Item 7:

### Beryl Cook "Hen Night"

Authenticated signed Limited Edition print by the Alexander Gallery, 850 run, framed. Image size 46 x 38cm.

Bought from Beryl Cook specialist McNeill Fine Art Gallery in 1994, while Beryl was still alive and long before Williams Art was even a twinkle in the eye. Stored away from sunlight so colours are as original. A rare print in excellent condition.

Selling on the internet for over £1200.

Best offer over £900.
